

Transverse Section at Level of Superior Colliculi	...	74
Tectum	...	77
Inferior Colliculus	...	77
Superior Colliculus	...	78
Medial Longitudinal Bundle	...	79
Reticular Formation	...	80
<b>VIII. Diencephalon</b>	...	<b>82—99</b>
Thalamus	...	83
Metathalamus	...	94
Medial Geniculate Body	...	94
Lateral Geniculate Body	...	95
Epithalamus	...	96
Pineal Body	...	96
Trigonum Habenulae & Nucleus	...	96
Posterior Commissure	...	97
Subthalamus	...	98
<b>IX. Hypothalamus</b>	...	<b>100—107</b>
Structures comprising Hypothalamus	...	100
Optic Chiasma	...	100
Tuber cinereum	...	100
Infundibulum	...	101
Hypophysis	...	101
Mamillary Bodies	...	101
Hypothalamic Nuclei	...	103
Fibre Connections	...	105
Vascular Connections	...	106
Functions	...	107
Hypothalamic Disorders	...	108—110
<b>X. Third Ventricle</b>	...	<b>111—118</b>
<b>XI. Cerebral Hemispheres (Cerebrum)</b>	...	<b>111—118</b>
Surfaces	...	111
Borders, Poles	...	112
Supero-Lateral Surface of Hemisphere	...	113
Frontal Lobe	...	114
Parietal Lobe	...	116
Temporal Lobe	...	117
Occipital Lobe	...	117
Island	...	118
Surface of Hemisphere	...	118

Inferior Surface of Hemisphere	...	12
Orbital surface	...	121
Tentorial Surface	...	121
Microscopic structure of Cerebral Cortex	...	122
Structure of Neopallium	...	123
Internal Structure of Cerebrum	...	123
Histology of the Cerebral Cortex	...	123
Functional Areas of Cerebral Cortex	...	127
White Matter of Cerebrum	...	133
Association (Arcuate) fibres	...	134
Commissural (Transverse) fibres	...	135
Corpus Callosum	...	135
<b>XII. Internal Capsule</b>	...	<b>139—142</b>
<b>XIII. Basal Ganglia</b>	...	<b>143—149</b>
Corpus Striatum	...	143
Caudate Nucleus	...	144
Lentiform Nucleus	...	148
Clastrum	...	149
Functions of Basal Ganglia	...	149
Clinical Manifestations and Syndromes in diseases of Basal Ganglia	...	149
<b>XIV. Lateral Ventricles</b>	...	<b>150—154</b>
<b>XV. Rhinencephalon and Limbic System</b>	...	<b>155—164</b>
Rhinencephalon	...	155
Olfactory Bulb	...	156
Olfactory Tract	...	156
Piriform Area	...	157
Limbic System	...	158
Paraterminal Gyrus (Septal Area)	...	158
Hippocampal Formation	...	159
Fornix	...	160
Amygdaloid Body and Stria Terminalis	...	161
Connections of Limbic System	...	162
Functional Role of Limbic System	...	163
<b>XVI. Blood Supply of the Brain</b>	...	<b>165—175</b>
Internal Carotid Artery	...	165
Anterior Cerebral Artery	...	167
Middle Cerebral Artery	...	168
Vertebral Artery	...	169
